

GREATER EASTON AREA BASEBALL LEAGUE(GEABL)

COVID-19 Return to Play Guidelines

- 1) Self-monitor for any symptoms including but not limited to fever, cough, etc. before coming to any GEABL activity. Please stay home and inform your coach if you are experiencing any symptoms or if you have been in direct contact with someone who is experiencing symptoms or tested positive for COVID-19
- 2) If Anyone in a household is feeling sick, the entire household should stay home
- 3) Coaches keep track of attendance at Games and practices to better help contact trace
- 4) If a player gets sick with Covid-19, Coach needs to communicate it immediately to their Commissioner and GEABL. GEABL needs to know if they have participated in a game within 2 days of the onset of COVID-19 symptoms.
- 5) Stress the importance of social distancing and following good hygiene protocols when you are around anyone. During practices, we recommend parents stay away from fields (Stay in the parking lot area if possible)
- 6) No sharing drinks or snacks
- 7) Social distance during team talks and with individual's equipment.
- 8) Wear mask and Social distance on bench, stay 6 feet apart when possible
- 9) Limit sharing of equipment, handwashing /sanitizing as much as possible
- 10) No touch rule - players & coaches must refrain from celebratory physical contact with each other and opponents on and off the field. A "hat tip" shall replace the customary hand shake at games
- 11) If a player gets injured, only one coach will attend to them. The coach must wear a mask.
- 12) Masks are optional for players and coaches. Coaches will use discretion and will be required to wear one if social distancing cannot be achieved during a drill, etc. at practice. Everyone is required to have a mask with them at all games and practices in the event they are needed
- 13) Please follow all CDC & DOH COVID-19 prevention measures included but not limited to all mentioned herein
