

May 2021

Dear Parents and Team Members:

On behalf of the Palmer Football Program, we wish to take this opportunity to welcome you to the 2021 football season. After our altered season last year due to the pandemic, we are very excited to get back onto the field and back with our Palmer Football Family. This year, we will be playing in the North (Blue) Division of the East Penn Youth Football League. The league website (with full schedules and other important info.) is www.epyfl.org.

We will be looking for parent volunteers throughout the season to assist with everything from gameday help (snack stand, chain gang, security, etc.) to assisting with uniform cleaning during the week. Palmer Football has always prided ourselves on having the best parent and community support in the area and we appreciate anything you can do for us in giving back to the kids.

Please continue to monitor your email for information pertaining to the upcoming season. Also, a lot of information can be found on our social media pages at the links below:
